VERSE 3: (BAND OUT to Fender Rhoades!!) slowed down, no tempo
                                                           C2
                                                    Em
By day the Lord commands His steadfast love
At night His song lulls me to sleep
A prayer to the God of my life...
PRE-CHORUS 3: (add light ac. guitar)
                                            G9
         Cmaj7
                            safe and secure in You
I am secure in You,
                                    D4 (add 6+9)
                Cmaj7
You are my Father and my friend
                Cmaj7
You are the Sovereign One,
                  G9
Yet You have called me son
                                      D4 (add 6+9)
              Cmaj7
Your lovingkindness knows no end
(BAND IN - slowly building...)
                                            G9
                             I will yet praise You!
I will yet praise You!
                                      D4 (add 6+9) keep building...
                 Cmaj7
You are my Savior and
                                my God!
            Cmaj7
So I will praise You, Lord... Yes, I will praise You, Lord
                                       D4 (add 6+9) crescendo to just guitar and drums
                 Cmaj7
You are my Savior and
                                my God!
